PRE-SURGICAL SCREENING

After visiting with your surgeon and scheduling your procedure, Optim Surgery Center staff will assist with your Pre-Surgical Screening. You will need to complete a pre-surgical screening appointment with a nurse and you may need pre-surgical testing. A nurse will call you prior to your surgery date to complete this process.

PRE-SURGICAL SCREENING APPOINTMENT

Our nurses will answer all of your questions and will provide you with instructions on how to prepare for surgery. A nurse will review and confirm the following information with you:

- Name(s) of your doctor(s)
- Your health history, including past surgeries
- Medications: List of names and dosage of all medications you take including vitamins and over-the-counter medications
